START OF AUGUST SERIES RACING

August Series racing at MYC began on Saturday, August 14, under most auspicious conditions. It was a typical "Mattapoisett day" out in the harbor, with warm sun, moderate seas, and a fine 10-15 mile SW wind that seemed to make every sail come alive.

I - Poised in readiness for the starting gun, the determined little Beetle Cat fleet swiftly spread out and for a brief time on the first leg it looked as if it could be anybody's race. But Dave Jenney's Ariel quickly broke loose, with Harvey Pentleton's Swamp Fox 7 boat lengths in its wake. Then Mason Smith's M2 closed in, challenging Swamp Fox. The lead between these two skippers shifted back and forth several times until they neared the first marker, Mattapoisett Neck MYC Guide Buoy. At this point M2 slowly began to lose ground. During the remainder of the 4-legged course, the positions of the top three helmsmen continued relatively the same. And so the contest ended with Dave Jenney still up front by approximately 7 boat lengths, Harvey Pentleton second, and Mason Smith third.

The second race of the Beetle Cat doubleheader saw Dave Jenney in command and maintaining it throughout. As for the contenders next in line, Mason Smith and Harvey Pentleton, it seemed during the initial three legs of the course that they would be set in a pattern of trailing second and

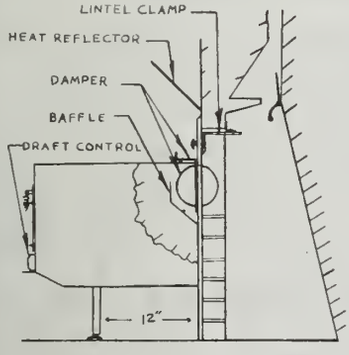
WHAT WERE YOUR FUEL BILLS LAST YEAR?

Convert your fireplace to an efficient home heater...with Better 'n Ben's

...BETTER 'N BEN'S THE FIREPLACE STOVE



FIRE BOX: 18" HIGH; 18" WIDE; 24" DEEP
DOOR OPENING: 9" x 13"
WEIGHT: 143 POUNDS
BACK PANEL: STANDARD-
34½" high x 42" wide

Note: This panel easily adaptable to most fireplaces.
Other sizes available on request.

Better 'n Ben's is the most exciting and innovative breakthrough in woodburning stoves since the Franklin.

Uniquely, but simply designed, Better 'n Ben's is placed directly in front of the fireplace opening. The combined stove and fireplace cover panel is securely and safely fastened in minutes so the stove utilizes the existing fireplace flue.

Now, instead of the heat going up the chimney, it is recovered and will provide warmth for large rooms and in many cases, entire homes. It will burn seasoned wood throughout the night.

Homeowner reports on this new stove cite up to 60% savings in fuel oil costs and the kilowatt consumption in electrically heated homes cut more than half.

WE HONOR MASTER CHARGE
and BANKAMERICARD

Better 'n Ben's is attractive in the home and made of sturdy, long-life, heavy, black iron that radiates heat well. It has a broad top to provide a large cooking surface.

Fully guaranteed.

We have a kit available to convert Better 'n Ben's to a free-standing stove for use anywhere.

Also available: See-through Screen Door for viewing fire.

third, but as they rounded Barnard's Wharf MYC Guide Guoy, the last marker, the action suddenly stepped up. Here Swamp Fox moved forward but only to engage M2 in a brisk, tacking duel along the concluding stretch. Finally, with not much time to spare, Pentleton pulled ahead. Thus Dave Jenney's Ariel became the winner; Harvey Pentleton's Swamp Fox placed second, with Mason Smith's M2 11 seconds astern.

II - Laser Race - The division of Lasers followed the two courses assigned in the Beetle Cats races. They sailed first to: Mattapoisett Neck MYC Guide Buoy, to Barnard's Wharf MYC Guide Buoy, to Molly's Cove MYC Guide Buoy and back to Barnard's Wharf MYC Guide Buoy; then starting at Barnard's Wharf MYC, to Molly's Cove MYC Guide Buoy, to Shining Tides MYC Guide Buoy, to Barnard's Wharf MYC Guide Buoy and finish at Molly's Cove Guide Buoy.

Toby Burr, skippering #33337, bested #33476.

Labor Day Block Dance

VANDALS ACTIVE IN MATTAPOISETT

Mattapoisett Selectmen were informed that an additional foot patrolman at Center School grounds has been placed on duty following several incidents of vandalism including stealing of gasoline from auto tanks and the arrest of 2 youths discovered on the slate roof of Center School. This patrol of the area will be maintained to stop these incidents.

OUTDOOR SIGN APPLICATION

Selectmen have been informed by the Mass. Outdoor Advertising Division that an action taken by them to go into effect October 20, 1976 will eliminate the automatic renewal of advertising sign permits without notice. Starting in the 1977 to 1978 period, application must be filed every year in the same manner as the original application was filed. Town officials must certify that the sign conforms to requirements or that it is authorized by special permit or variance.

You'll like our interest in your account

The trouble with saving money in a mattress or an old sock is that you lose interest.

You can also lose interest by putting your money in a bank that pays lower interest rates than NBIS.

We pay higher rates than most banks. And it's compounded continuously. Not quarterly, not monthly, not weekly, but continuously. That gives you a little *extra* interest.

Here are the interest rates we pay on various kinds of savings, with the effective annual rate. Compare them with what your bank pays.

Or what your mattress pays.

Type of Savings	Rate Per Annum	Effective Annual Rate
Regular Passbook	5¼%	5.47%
90-Day Notice	5¼%	6.00%
1-2½ Year Certificates* ($1,000 minimum)	6½%	6.81%
2½-4 Year Certificates* ($1,000 minimum)	6¾%	7.08%
4-year Certificates* ($1,000 minimum)	7¼%	7.63%
6-10 year Certificates* ($1,000 minimum)	7¾%	8.17%

*Withdrawals from Certificate accounts before maturity carry the following penalty: the amount withdrawn will earn the existing regular savings account rate and in addition three months interest must be forfeited

A penny saved is a penny earning.

of Thomas Sylvia for a used car dealer's license for the A.E. Auto Sales to be located on County Rd. next to Tom's Auto Parts. No one appeared for or against the granting. Selectmen granted a restricted license for a maximum of 6 cars on the 150 foot lot.

REQUEST FOR SPEED SIGN

Norman Shachoy requested the posting of a speed sign in the area of Prospect Road and Angelica Avenue. The request stated that there is now no notice except a small sign on Prospect Road at the beginning of the curve. The Selectmen forwarded the request to the Traffic Study Committee with a recommendation for prompt action.

JURORS DRAWN

Eleanor E. Belanger of Aucoot Road was drawn for Grand Jury duty in Plymouth starting September 27th.

Stanley A. Wulf of Mattapoisett Neck Road was drawn for duty in the Criminal Court in Brockton on September 13th.

REQUEST DENIED

Paul LaCroix of Water Street requested permission to bus senior citizens from New Bedford to the Mattapoisett Town Beach. Selectmen William Hubbard and Donald Linhares both noted that New Bedford has several public beaches and there is a State beach both at Horseneck and Fort Phoenix with vast area. Because of the limited room and high usage of Mattapoisett Town Beach by residents they denied the request.

SWIM MEET INVITATION

Albert Boucher, director of the Town Beach, invited the Board of Selectmen to attend and participate at the Swim Meet Saturday. Donald Linhares attended and presented the trophies.

MATTAPOISETT GRANGE MEETING

A few of the Mattapoisett Grange members met last Thursday night. No business could be transacted due to no quorum present. Mr. William Smith entertained the group present with some of his beautiful slides taken on trips he has been on.

The group also talked over many Grange issues.

ST. PHILIP'S EPISCOPAL CHURCH

St. Philip's Church, Mattapoisett, located on the waterfront, is enjoying an active summer. This month and until September, the Rev. Robert H. Larkin of Trinity Church, Rullamus, Calif., continues in charge of services. He encourages the attendance of children with their parents by addressing them separately in a brief sermon for young ears.

Holy Communion is celebrated at 8 A.M.; morning prayer and sermon are at 10 o'clock every Sunday.

Worshippers in all faiths are welcomed to this Episcopal Church, which has held summer services continually since 1885. Its interior is little altered through the years, except for the notable addition of the window, of more recent date, and which honors

Rochester Reception

FOR NEW PRINCIPAL

A public reception will be held to welcome Mr. Charles Elofson, new principal of Rochester Memorial School, on Friday, August 27th, at 7:30 P.M. in the open classroom of the elementary school. The "Parents and Teachers for Rochester Memorial", sponsors of the event, urge all parents to attend to meet Mr. Elofson and his wife and to welcome them to the community. After a short presentation, refreshments will be served. We hope to see many parents there, as it promises to be an enjoyable evening.

Children's Museum

BUTTERFLIES AND MOTHS

This Saturday morning, August 28, the Children's Museum will lead a field walk to look for butterflies and moths. The life cycle of the butterflies and moths as well as their habits will be explained, followed by a walk through the Museum property to collect some of the more common forms.

This walk will take place at the Museum Outdoors, 100 Old Westport Road, North Dartmouth, at 10:00 A.M. on Saturday morning. All adults as well as children accompanied by an adult are welcome. Admission is free.

Grange Fair & Supper

Mattapoisett Grange #215 will hold its annual Fair Saturday, August 28th, from 2 to 7 P.M. at the Grange Hall. All farmers, gentlemen farmers, mini-farmers and would be farmers are invited to exhibit vegetables, fruits, flowers and plants. The ladies are invited to exhibit their needlework, rugs, afghans and canning.

Donations are needed for the white elephant table. Call Rita Dunn, 758-3508. To donate baked goods call Mary Costa, 758-2095.

The hall will be open from 9 A.M. to 12 Noon to receive items, and then will be closed at noon to 2 P.M. for judging. It will be open from 2 to 7 P.M. for public

Honorable George Rogers

Dear Senator Rogers:

Thanks so very much for making possible Old Colony's waiver of thirty-three (33) hours from the regulation governing the length of the 1975-76 school year. I was notified by Commissioner Anrig of the Board of Education's decision at the meeting of November 25, 1975. The Regional School District Committee and I extend our appreciation for the time and effort you put into this appeal.

It seems that every time vocational educators face an insurmountable problem, you come to the rescue. Your masterful job in having the Chapter 74 appropriations returned to their original amounts is a classic example of your effectiveness as a Senator; and, your present involvement in attempting to maintain a strong Division of Occupational Education is being looked upon as the "battle of the century".

Win or lose, you remain a dedicated friend of countless Massachusetts vocational educators. We wish you well and hope you continue to have the strength to cope with the many important issues facing our Commonwealth.

Again, our thanks.

Best wishes for a joyous Christmas.

Sincerely,

John T. Oliveira

Dear Senator Rogers:

On behalf of the Board of the Mattapoisett Housing Authority, I would like to thank you for your presence, support and deliverance of the written commitment from DCA regarding the funding for our Elderly Project. Needless to say without your verboge the meeting would have been o loss.

The article in the warrant for the Mattapoisett Annual Town Meeting was confusing for the taxpayers to understand, but after a brief discussion on the floor, a vote of confidence was obtained for the efforts and continuance of the Mattapoisett Housing Authority.

I was personally pleased during the public hearing in Fall River, to hear of your support for the common carrier permit for Brownell's Boot Yard. We appreciate your active support and involvement in Mattapoisett's issues.

Very truly yours,

Tobey News

NEW DOCTOR AT TOBEY

Raymond Alexander Maddocks, M.D., a specialist in pediatric and adult urology, has joined the medical staff of Tobey Hospital. A native of Quincy, Dr. Maddocks attended school in Vermont, graduated from Princeton University and returned to Vermont to study medicine at the University of Vermont College of Medicine. As a senior medical student he received the Lamb Award, a prize given for excellence in the doctor-patient relationship. After a rotating internship in the U.S. Navy Hospital in Oakland, California, Dr. Maddocks was commissioned a Lieutenant in the Navy and served two years as a General Medical Officer. Upon discharge he completed four additional years of training at the Medical Center Hospital of Vermont, University of Vermont, one year in general surgery and three in urology. During this time he published four papers on urology and urological research in prestigious medical journals.

Married to the former Barbara Bigelow he is the father of two daughters, Anne age six, and Susan age two. Now a resident of Marion, where Mrs. Maddocks will teach in the Loft School in the Fall, Dr. Maddocks has professional offices at the Tobey Medical Center on Main Street, Wareham.

EMERGENCY PHYSICIAN AT TOBEY

Peter M. Sarafan M.D. is now working full time as one of the Emergency Physicians at Tobey Hospital. Originally from Rockville Centre, New York, Dr. Sarafan is a graduate of Amherst College 1970 and the George Washington University School of Medicine 1974. Now a Boston resident, Dr. Sarafan just completed two years of training in the study of internal medicine at the Boston City Hospital.

BOOKS CAN DISTORT

It's not what's in the books that is distorting, for knowledge is mind-opening, and books offer horizons unlimited for learning. It's the actual weight of the books that can literally distort the child's body.

When you send your child off to school, no doubt you see an energetic child eager to learn and do. However, the doctor of chiropractic, a health specialist who puts particular emphasis on spinal integrity, sees something else. He sees a child weighed down with books. He sees a body out of balance, He sees faulty posture. He notes distortion and abnormal mechanics of the body. He recognizes spinal curvature and impaired function.

As specialists in the field of body posture and mechanics as it pertains to the human structure doctors of chiropractic recommend the following as a preventive action;

1. Carry only those books necessary for scheduled classes each day
2. Distribute weight to both arms. frequently shifting heavy books from arm to arm.
3. Stand erect and walk briskly, keeping the stomach in.
4. Whenever possible, use a book-pack.

Persistent or recurring aches in the back and limbs may suggest a possible spinal or pelvic problem. This often requires a structural correction of the cause in order to relieve the condition. Although drugs may hide the pain temporarily, the spine and sacroiliac must be aligned to their proper position for normal function.

Tell the average child that he is carrying too much, and his vanity toward strength will cause him to protest. This is why good posture habits, which include sensible carrying and lifting procedures, should be explained at an early age.

Fellowships are available in film, video, music composition and choreography. Several fellowships will be awarded in each field, Ms. Channing said. Applications for creative artists working in painting, sculpture, printmaking, photography, poetry, fiction and playwriting will be available in the Spring of 1977.

Composers, choreographers, filmmakers and video artists can obtain their applications - which must be completed and returned by October 15, 1976 - from the Artists' Fellowship office. Formerly called Creative Artists Services, Artists Fellowships is a program administered by the Massachusetts Arts and Humanities Foundation, Inc., a non-profit organization in Boston that provided financial and other assistance to individual creative artists in Massachusetts.

To be eligible for fellowships, artists must be Massachusetts residents over 18 years of age. Undergraduate and graduate students are not eligible. Each artist will be required to submit a representative body of recent work demonstrating a high level of accomplishment. Panels of out-of-state artists will select the fellowship recipients solely on the basis of the excellence of the work submitted. Project proposals are not

Quincy Market Reopens

FANEUIL HALL MARKETPLACE

The Quincy Market Building in the Faneuil Hall Marketplace reopens on its 150th birthday August 26, 1976.

To celebrate the day, the Marketplace will hold dedication ceremonies at 11:30 A.M. which will be followed by a festival of music and dance. The public is invited to attend the ceremonies and other activities which will take place in and around the Quincy Market.

Located behind Faneuil Hall, the Quincy Market is the central building of Boston's 19th Century Faneuil Hall Markets. The renewed Quincy Market Building is a significant addition to Boston's downtown. Once a thriving food mart and the architectural pride of Boston, the Market and its adjacent structures fell into disrepair in the 1950's. Now through rehabilitation it again serves the city of Boston. The building as a contemporary food market features a variety of restaurants, sidewalk cafes, food stores and housewares boutiques on three levels inside the building and outdoors under glass canopies. The weatherproof canopies permit continual use at all hours through all seasons.

In addition to the domed granite Quincy Market Building, the Marketplace consists of the granite warehouse structures along North and South Market Streets, and the streets themselves. The streets are closed to vehicular traffic and provide landscaped space for wagon vendors, artists and craftsmen at work in their trade, and street-side entertainment.

The brick and granite paving of South Market Street for pedestrian activity is a notable city event. It is the connecting link to Boston's "Walkway to the Sea" that begins in Government Center and

terminates at the Waterfront Park.

The restoration of Faneuil Hall Marketplace is one of the largest projects of its kind in the country. Covering 6.5 acres of land in the heart of the city, the three buildings are handsome examples of Greek Revival architecture.

The redevelopment of the Marketplace began ten years ago as part of the Boston Redevelopment Authority's Waterfront Urban renewal plan. The final phases -- the rehabilitation of the two flanking structures -- are scheduled for completion in 1978.

The three 500 foot Market buildings in the complex were constructed in 1826. The idea for the Markets was originally conceived by Mayor Josiah Quincy in 1823 when the City's first food market Faneuil Hall became too small for the burgeoning port of Boston.

The Faneuil Hall Markets are owned by the City of Boston and leased for 99 years to The Rouse Company.

TOBEY GUILD HELPS FUND MANAGEMENT DEVELOPMENT PROGRAM

Commencing with the first of eight sessions on September 22, Tobey's Department Heads will take part in a Program for Management Development to be conducted by Mr. Claude Thulier of the Massachusetts Hospital Association.

The Tobey Hospital Guild, on the tenth anniversary of the Tobey Guild Educational Fund, has donated a substantial amount toward the funding of this program in memory of the hospital's former administrator, Mrs. Helen Koenig Gediman. Because Mrs. Gediman departmentalized the hospital during her tenure, it seemed only fitting that a leadership course designed for Department Heads should be dedicated to her memory.

The Educational Fund, starting with a treasury of $150. in 1966, now has annual expenditures of almost ten times that amount. Throughout the years, the Barth Foundation has contributed generously to the fund helping to make it possible for Tobey employees to continually update their skills and keep abreast of the newest techniques - always with the ultimate goal of quality care to the patient.

Serving on the Guild's Educational Committee are: Mrs. Jeanne MacNeill, Mrs.

MILLER HALL OF FAME TENNIS CHAMPIONSHIP IN NEWPORT

A $35,000 grass court tennis tournament established to benefit the International Tennis Hall of Fame -- "The Miller Hall of Fame Tennis Championship" -- will be played under the sponsorship of the Miller Brewing Company, Milwaukee, Wi., September 16-19, at the Newport Casino in Rhode Island.

The International Tennis Hall of Fame honors outstanding players in both the amateur and professional ranks. Since its 1952 inception, when the museum comprising the Hall of Fame consisted of only one room, it has expanded to encompass the entire Newport Casino building and is open all year.

This tournament will be played the week following the U. S. Open at Forest Hills and is sanctioned by the Association of Tennis Professionals and the International Lawn Tennis Federation.

For ticket information write: Newport Tennis Champsionship, 194 Bellevue Avenue, Newport, R. I. 02840, or call 401-846-4567.

NEW ENGLAND ARTIST PRESENTS HISTORICAL DRAWINGS FOR BRITISH/ AMERICAN HOMECOMING

Jack Frost, noted New England artist, presented two charcoal pencil drawings at a reception in New Bedford to kick off a British-American homecoming program sponsored by the Bristol County Development Council, Inc. One drawing depicts the town of Bristol, England in the late 15th century; the other drawing portrays New Bedford, Mass. in Bristol County in the mid-19th century, at the height of the golden age of whaling.

The sale of limited-edition, signed prints made from Mr. Frost's two drawings, will benefit British-American exchange programs developed by the Bristol County Development Council in conjunction with the International Friendship League, Inc. which fosters pen-pal and other cultural exchange programs throughout the world. The two prints are available from the International Friendship League, 40 Mount Vernon Street,

A THANK YOU

We wish to thank the Mattapoisett Police for the excellent performance and organization shown at the Town Wharf during the recent threat from Hurricane Belle. We also want to thank the Wharf Commissioner, on behalf of all the Boat Owners, for his excellent supervision at the Town Ramp while we were in an emergency situation. The job could not have been completed anywhere near as quickly or efficiently without them.

The two drawings were presented at a ceremony held in the Old Dartmouth Historical Society Whaling Museum in New Bedford. Those attending the reception were welcomed by Rexford A. Bristol, former chairman of The Foxboro Company, who hosted the event. Bristol County Commissioner Patrick Harrington unveiled the "New England" drawing and British Consul General Granville Ramage unveiled the "Old England" drawing.

In commenting on the value and purpose of the program, Commissioner Harrington said, "Bristol County is happy to participate in a program of this sort, which in the long run will benefit the economies of the region through increased tourism".

STUDDS CALLS FOR INVESTIGATION OF JOINT U.S.-SOVIET FISHING VENTURE

WASHINGTON, D.C. --- Representative Gerry E. Studds, D-Mass. has called for a Congressional investigation into the possible circumvention of the 200-mile fishing limit law by a joint commercial U.S.-Soviet fishing venture.

"An American fish processing firm in Seattle, Washington, has reportedly entered into an agreement with the Soviets to process American-caught hake on a Soviet factory ship. This joint commercial venture raises several serious questions about the possibility of foreign attempts to circumvent the 200-mile fishing limit which goes into effect on March 1 of next year," Studds said in a statement from his Washington office.

"I have asked the House Subcommittee on Fisheries, Wildlife Conservation and the Environment to schedule oversight hearings into this agreement as soon as possible to determine whether or not we are faced with a potential loop-hole in the law which could continue to jeopardize the management of fish stocks within the 200-mile limit."

Studds said the joint venture plans to process American-caught fish on a Soviet factory ship with distribution being divided between the U.S. and the Soviet Union.

"This type of commercial venture might conceivably constitute an attempt by the

Soviet Union to contravene the intent of the Studds-Magnuson 200-mile fishing law," Studds added.

"I don't want to see the Soviets, the Japanese and other foreign fishing nations able to continue to exploit our fishing resources within the 200-mile limit because of a loop-hole in the law. If there is a loop-hole, we must find it and close it so that the sound management of our fishing stocks can begin."

Studds, who is a member of the Subcommittee on Fisheries, said he hoped an investigation and oversight hearings into the joint venture would be started as soon as possible.
